Betzalel's operational expertise is critically important for our company as we seek to capitalize on opportunities in the markets where we operate and expand our business through disciplined M&A activity. I'm glad that Betzalel will bring his knowledge and experience to Panama as we strive to deliver value for our customers and shareholders."

Kenigsztejn will continue in his role as Chief Operating Officer working closely with local executive management teams to drive customer growth, leverage scale opportunities, and continuously enhance our customer experience.
